

הכנה ל"א ניסן

It's gonna be the kinderlach who will make Moshiach come!

Birthdays come with birthday parties, birthday cakes, and birthday presents. On a birthday, we try to give the birthday boy or girl a present that will make them very happy. Since י"א ניסן is the Rebbe's birthday, and we are the Rebbe's children, we'd like to give the Rebbe a present that will make him very happy.

Hmmm... ..What do you think will make the Rebbe very happy?

That's easy. Every time we daven, learn, do a mitzvah or have Ahavas Yisroel, it makes the Rebbe happy. That's because the Rebbe wants us to be the best Yidden possible.

But there's one thing that the Rebbe wants most of all. He spoke about it at almost every Farbrengen, in every letter, in every Yechidus. Do you know what it is?

Moshiach! So what are we waiting for? Let's bring Moshiach! Cuz it's gonna be the Kinderlach who will make Moshiach come!
