**As my Queen**

In 1950, upon the passing of her father, Rabbi Yosef Yitzchak Schneerson the leadership of the worldwide Chabad Lubavitch movement passed to Rebbetzin Chaya Mushka's husband, the Rebbe. We all know that the Rebbe did not want to become the nasi, and he didn't want to accept anyones request about being the Rebbe! The Rebbetzin was the one who encouraged the Rebbe to become Rebbe. The Rebbetzin said to the Rebbe: *"It is simply unthinkable that fathers thirty years of total self sacrifice and accomplishment should, G-d forbid, come to naught"*. All her life she fulfilled the ideal of: "The entire honor of a king's daughter is with in" When the Rebbetzin at would call the rebbes office 770 she always referred to herself as: Mrs. Schneerson from President street. We can demonstrate that the Rebbetzins children are alive by our taking a lesson from her conduct and conducting ourselves in her spirit in a manner of self sacrifice. "This is even more so when naming a baby after her and training the child to follow her example. After all this is the most basic aspect of her children are alive so too she is alive....." the Rebbetzin had no children of her own yet when a child visiting her at home asked her where are your children she answered they are in 770!. In return thousands upon thousands of babies have been named after the Rebbetzin ~ Chaya Mushka

## The Rebbetzin and

# Me

I'm looking up to you! I want to be like you. I am so privileged to be named after you. What a responsibility I have. Through our Mitzvos and tznius we can make our world more pure. Rebbetzin Chaya Mushka I'm honoring you today and I crown you as my role model and I'll copy what you do and whatever you want me to do.

*Dear Rebbetzin Chaya Mushka,*

*I want to tell you how much you taught me, my friends and my family. You are a princess and Eishes Chayil. You were the one to encourage the Rebbe to become the nasi. You are so powerful and influential and yet remain hidden and humble.*

*You are such a aidel and tznius woman. You walked around like a true princess. Rebbetzin Chaya Mushka I know how much you wanted to bring Moshiach and how much we children meant to you. We are your children. Although sometimes it might be hard I will always try my best to follow in your footsteps and whatever you do and remain a princess the way I dress just like you!*
